**WRITTEN DETERMINATION REGARDING THE APPOINTMENT OF OUTSIDE
COUNSEL ON BEHALF OF THE WEST VIRGINIA
DIVISION OF NATURAL RESOURCES**

The West Virginia Division of Natural Resources (hereinafter "West Virginia DNR") has requested legal representation in conjunction with the purchase of property situated in Kanawha County for the purpose of creating a public access site. The property is an approximately 3.5 acre parcel owned by Philip and Faye Shafer. The West Virginia DNR is in need of an attorney to abstract the title, prepare a title report, prepare the deed, and hold the closing on or before July 31, 2013.

In accordance with the Attorney General's Policy on Outside Counsel (Policy #WVAGO-004), the Office of the Attorney General has determined that it is both cost-effective and in the interest of the public to appoint outside counsel to assist the West Virginia DNR with the purchase of the subject property:

- The matter at issue requires particular expertise in real estate transactional law not currently possessed by the Office of the Attorney General.
- The legal services needed would require a significant time commitment from the Office of the Attorney General to familiarize itself with real estate transactional work.
- There is a particular need for a private attorney with experience handling real estate transactions.
- The legal services provided in conjunction with this matter will be rendered in Kanawha County, West Virginia.
- It is not feasible or cost-effective for the Office of the Attorney General to provide the requested legal services.

Accordingly, the Attorney General authorizes the appointment of outside counsel in the current legal matter pursuant to commencement of the request for proposal process laid out in subsection (D) of Policy #WVAGO-004.

Chief Counsel
