Dear Mr. Morrisey:

This letter responds to your Freedom of Information Act/Privacy Act (FOIA/PA) request dated March 15, 2019, addressed to the Drug Enforcement Administration (DEA), Freedom of Information/Privacy Act Unit.

On May 03, 2019, our office made a first release of 162 pages to you, which included responsive records to Item 2 in its entirety along with a partial release of Item 3. With regard to Item 3 of your request, we provided a sample of documents that we thought may be responsive and asked you to confirm whether you were interested in receiving the rest of them. On May 30, 2019, your office responded, and confirmed that it was interested in receiving the rest of the documents that were located in response to Item 3.

While waiting for your response regarding Item 3, we conducted a search for responsive records pertaining to Item 1 part a through d. To search for responsive records, the Office of Information Systems (SI) collected the relevant custodian emails for the years that they were in the positions that you requested. They then searched the email correspondence against the search phrases/terms: “opioid + deaths”; “opioid + sales”; “opioid + overdose”; “opioid + street value” and “rise in opioid use”.

DEA pages 163-323 represent the first partial batch of emails collected from Joseph Rannazzisi’s archived inbox while he was Deputy Assistant Administrator in charge of the Office of Diversion Control for years 2010 through 2014.

1 On April 18th, 2019, agreement to postpone reformulation for the remainder of part 1 until part 1a-1d is processed.
Certain materials identified during the processing of your request will be released to you. The portions withheld are exempt from disclosure pursuant to the FOIA, 5 U.S.C. § 552, and/or the PA, 5 U.S.C. § 552a. Please refer to the list enclosed with this letter that identifies the authority for withholding the deleted material, which is indicated by a mark appearing in the block next to the exemption. An additional enclosure with this letter explains these exemptions in more detail. The agency documents you requested are enclosed with this letter.

The rules and regulations of the DEA applicable to FOIA requests are contained in the Code of Federal Regulations, Title 28, Part 16, as amended. They are published in the Federal Register and are available for inspection by members of the public.

Certain DEA documents contained information that the Department of Health and Human Services (HHS), the Food and Drug Administration (FDA), the Centers for Disease Control and Prevention (CDC), and the Office of National Drug Control Policy (ONDCP) have equities in. DEA is in the process of consulting with these agencies before granting access to the documents in accordance with 28 C.F.R. § 16.4 and/or 16.42. You will be notified if more material is available for release pending results from these consultations.

In addition, certain DEA files contain information that was furnished by the FDA. That information and a copy of your request have been referred to the FDA for a decision. The FDA will respond directly to you in accordance with 28 C.F.R. § 16.4 and/or 16.42. If you have any questions about this referral, you can contact Sarah Kotler, Director, Division of Freedom of Information, FDA, 5630 Fishers Lane, Room 1035, Rockville, Maryland, 20857 or call (301) 796-3900.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you have any questions regarding this letter, you may contact Caitlin Trujillo, Attorney, Office of Chief Counsel Administrative Law Section at 202-598-2730.

Sincerely,

Angela D. Hertel,
Acting Chief,
Freedom of Information/Privacy Act Unit,
