15-1458, 15-1463, 15-1468, 15-1469,  
15-1480, 15-1481, 15-1482, 15-1484

**BEFORE:** Henderson, Rogers, and Srinivasan, Circuit Judges

**ORDER**

Upon consideration of petitioners' motion to extend time to file briefing proposal, the opposition thereto, and the reply, it is

**ORDERED** that the motion be denied to the extent it seeks to defer the submission of briefing format proposals in this case until after the court issues a briefing schedule in No. 15-1363, et al., West Virginia v. EPA. The petitions for review in the two sets of cases involve challenges to different regulations. Moreover, by separate order issued this date, the court has expedited consideration of No. 15-1363, et al. Therefore, keying the submission of briefing proposals in this case to the issuance of a briefing schedule in No. 15-1363, et al. is unwarranted. The briefing proposals are now due 30 days from the date of this order.
